Dear Kimberly Nguyen

It is with great honor and joy that I inform you that your nomination for the prestigious **Honorary Doctorate** from Dunster Business School has been officially approved by the Honorary Awards Committee. This decision reflects your outstanding achievements and significant contributions in public health advocacy, particularly your efforts in improving access to healthcare for underserved rural communities. Your contributions, such as spearheading initiatives to reduce maternal mortality in Montana and advocating for telehealth services in remote regions, have had a profound impact.

This accolade serves not only as recognition of your past accomplishments but also as an inspiration to our students, faculty, and the broader community. Your unwavering commitment, exemplary leadership, and impactful work embody the values we hold dear—**Caring, Creative, and Courageous**—and set a remarkable standard for others to aspire to.

As one of our honorary recipients, you join a select group of individuals whose achievements have profoundly shaped their fields and societies. Your dedication to advancing equitable healthcare solutions continues to inspire our students, faculty, and the broader community and making a meaningful difference in the lives of others exemplifies the very essence of excellence. We are thrilled to celebrate your journey and acknowledge the transformative power of your contributions.

Further details about the conferment of this honor will be communicated to you in due course. Rest assured, we are committed to ensuring that this momentous occasion is as memorable and meaningful as your accomplishments deserve.

Once again, congratulations on this distinguished recognition. We are proud to count you among our esteemed honorees and look forward to celebrating your remarkable journey as a source of inspiration to our community and beyond.

Regards,

Mr. Philippe Thevenot
President
Dunster Business School
