What is an Honorary Doctorate Award?

Honorary Doctorate Award recognizes an individual for their talents and exceptional contributions in their respective fields or society. It is a symbol for appreciating the efforts and achievements that also inspires others to strive for excellence. The recipient does not have to earn the award by fulfilling requirements such as coursework, a thesis or a dissertation.

What is the criteria for receiving an Honorary Doctorate Award?

About Dunster Business School, Switzerland

Serving a vibrant and dynamic community of more than 23,000+ global students, Dunster Business School fosters a multicultural environment that enriches the educational experience. Under the leadership of Mr. Philippe Thevenot, President, Dunster Business School has continually expanded its educational offerings, ensuring that students have access to cutting-edge business methodologies and trends.

Dunster Business School's core values include "Innovation, Integrity, Excellence, Sustainability and Global Perspective." These are not simply words but are ideals woven into the curriculum, the approach to business education, and daily interactions.

With a broad portfolio of over 31+ courses, the school caters to a diverse range of academic and professional interests, including business management, finance, marketing, and leadership. It boasts 47+ highly qualified and experienced faculty members, each of whom brings a wealth of expertise and global perspectives to their teaching and research. Its remarkable capacity to deliver a vast number of classes each month — over 2,900. This impressive figure demonstrates the institution's ability to provide flexible, comprehensive, and continuous learning opportunities for its diverse student body.

The programs offered at Dunster Business School include Diplomas, Bachelor's, Masters, Doctoral Degrees, Language Courses, Short Courses, and other professional certifications.

Being amongst the best business schools in Switzerland, Dunster Business School (DBS) embodies a commitment to providing high-quality business education.

Dunster Business School offers career-focused programs in Business Administration, Data Science, IT, Cybersecurity and languages in partnership with universities and institutions, ensuring high academic standards and professional relevance.

Swiss Made Education

Swiss Made Education is a prestigious label that reflects the high standards of quality, precision, and innovation associated with Switzerland's world-class education system. As an educational provider based in Zug, Switzerland, Dunster Business School proudly embodies the values of Swiss education. Switzerland is known for its rigorous academic standards, cutting-edge research, and emphasis on practical learning, making it a global leader in higher education.

A program delivered by Dunster Business School is recognized by accrediting bodies for its highest quality standard and student-focused outlook.

It is a Doctoral Award, with a focus on your work experiences and contributions towards society.

Why an Honorary Doctorate?

An Honorary Doctorate is a prestigious award conferred by a university or academic institution to honor individuals for their exceptional contributions to society, a specific field, or humanity, without requiring the recipient to meet the standard requirements of a doctoral degree. Here's why an Honorary Doctorate is significant:

- Recognition, Prestige and Accomplishment
- Validation of Achievements
- Enhanced Credibility
- Personal Fulfillment
- Commitment toward making differences.
- Increased Visibility
- Career Advancement
- Association with Prestigious Institutions
- Motivation for Others
- Communication Opportunities

Getting my Honorary Doctorate was not a mere award but a milestone. It was a wrap-up of years of hard work and the start of many new ones.
