About Dunster Business School

Serving a vibrant and dynamic community of more than 23,000+ global students, Dunster Business School fosters a multicultural environment that enriches the educational experience. Under the leadership of Mr. Philippe Thevenot, President, Dunster Business School has continually expanded its educational offerings, ensuring that students have access to cutting-edge business methodologies and trends.

Dunster Business School’s core values include “Innovation, Integrity, Excellence, Sustainability and Global Perspective.” These are not simply words but are ideals woven into the curriculum, the approach to business education, and daily interactions.

With a broad portfolio of over 31+ courses, the school caters to a diverse range of academic and professional interests, including business management, finance, marketing, and leadership. It boasts 47+ highly qualified and experienced faculty members, each of whom brings a wealth of expertise and global perspectives to their teaching and research. Its remarkable capacity to deliver a vast number of classes each month — over 2,900. This impressive figure demonstrates the institution's ability to provide flexible, comprehensive, and continuous learning opportunities for its diverse student body.

The programs offered at Dunster Business School include Diplomas, Bachelor’s, Masters, Doctoral Degrees, Language Courses, Short Courses, and other professional certifications.

Being amongst the best business schools in Switzerland, Dunster Business School (DBS) embodies a commitment to providing high-quality business education.

Program Outline

- **Excellence in Higher Education**

Our schools are recognized and accredited by various institutions, offering a field of specialization and the highest salary package and job access for candidates.

- **International Opening**

This is our raison d'être. Our programs are specifically designed to welcome international students so that they can significantly benefit from our courses. It also allows our French students to do their internships as part of their sessions. Our teaching teams are trained to teach multicultural and multilingual groups.

- **Individualized Support Towards Employment**

Since we promote and believe in individual growth, each course of study corresponds to a personal ambition. All our students benefit from individualized support. The success of all before, during, and after the classes resides in the heart of the action. You can get personalized guidance from experts. Our dedicated job placement services provide individual assistance to all our candidates.

Learning Outcomes

- Demonstrate advanced knowledge of accounting, taxation, and financial management to analyze and support strategic business decisions.
- Apply international financial reporting standards (IFRS) and global auditing principles to ensure accuracy and transparency in financial practices.
- Conduct independent business research using quantitative and qualitative methods to evaluate economic and financial issues.
- Utilize digital tools and financial technologies for data analysis, budgeting, forecasting, and reporting.
- Incorporate ethical reasoning and corporate governance principles to guide responsible and sustainable business practices.
