Welcome Message from the President

Dunster Business School is a place where innovation, excellence, and opportunity come together to create the future leaders of tomorrow.

Mr. Philippe Thevenot, President of Dunster Business School says, “It is a response to the ever-changing demands of the modern world, where the boundaries of education are constantly being redefined. At the heart of Dunster Business School is our commitment to preparing students not only for careers but for the industries and opportunities of tomorrow.”

The President of Dunster Business School believes that education should inspire curiosity, foster creativity, and cultivate a spirit of innovation and leadership.

Mr. Philippe Thevenot says, “What makes Dunster Business School unique is our forward-looking approach to education. Our students will explore emerging fields such as artificial intelligence, sustainability, entrepreneurship, digital marketing, and more.”

“Together, we will create a legacy of educational achievement and innovation that will shape the leaders of tomorrow.”

Mr. Philippe Thevenot

Président, Dunster Business School

About **Dunster Business School**

Serving a vibrant and dynamic community of more than 23,000+ global students, Dunster Business School fosters a multicultural environment that enriches the educational experience. Under the leadership of Mr. Philippe Thevenot, President, Dunster Business School has continually expanded its educational offerings, ensuring that students have access to cutting-edge business methodologies and trends.

Dunster Business School's core values include "Innovation, Integrity, Excellence, Sustainability and Global Perspective." These are not simply words but are ideals woven into the curriculum, the approach to business education, and daily interactions.

With a broad portfolio of over 31+ courses, the school caters to a diverse range of academic and professional interests, including business management, finance, marketing, and leadership. It boasts 47+ highly qualified and experienced faculty members, each of whom brings a wealth of expertise and global perspectives to their teaching and research. Its remarkable capacity to deliver a vast number of classes each month — over 2,900. This impressive figure demonstrates the institution's ability to provide flexible, comprehensive, and continuous learning opportunities for its diverse student body.

The programs offered at Dunster Business School include Diplomas, Bachelor's, Masters, Doctoral Degrees, Language Courses, Short Courses, and other professional certifications.

Being amongst the best business schools in Switzerland, Dunster Business School (DBS) embodies a commitment to providing high-quality business education.
